

Faithful Donors to the CTK Blessing Fund

Thank you!

First off, thank you. Thank you for your consistent support. Thank you for continuing to partner with us as we mobilize the hands and feet of Jesus at CTK to bless so many throughout Whatcom County. We have seen life after life impacted over the last several months and we're excited to see what happens in the coming months. Here's a look at what has happened so far and how we are serving Whatcom County with your help!

Faith and Finances Group

Fifteen people were able to take steps towards integrating their faith and finances by completing the Faith and Finances course. They were able to exist in a safe environment and dive deeply into community with others and learn what God has to say about finances individually and collectively.

Laptops for Families

In partnership with Computers for People in Need and referrals through Blue Skies for Children, we were able to provide five families with their own computers! With technology being a massive part of our daily lives, these computers create easier pathways of communication and interaction with the digital world.

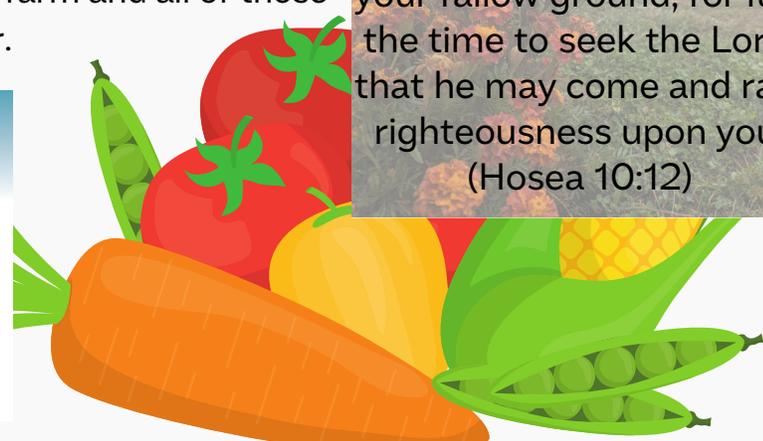

Visit www.ckkserves.org to see everything that's happening!

CTK Farm

Summer is nearly upon us which means the busy season for the CTK Farm. We have already had over a hundred people come for field trips and are looking to host more. This year we are expectant and the words of Hosea serve as our lens for the coming months. This is our prayer and expectation for the CTK farm and all of those who put their hands and feet to it this summer.

Summer Verse

Sow for yourselves righteousness; reap steadfast love; break up your fallow ground, for it is the time to seek the Lord, that he may come and rain righteousness upon you. (Hosea 10:12)

Where Does all This Fresh Produce Go?

Since moving from a single CTK food bank to our current food share model in 2015, we've partnered with the following 24 local organizations to ensure our fresh produce gets into the hands of those who need it most.

Food Banks

Community Programs

Kids Programs

Seniors Programs

Response Teams

The Response Team season has begun and we have already deployed CTK's Middle and High School United Students to assist in the clean up of Blue Skies for Children's old office space. There are eight projects on the docket for this summer the largest being a big big landscaping and clean-up with Lighthouse Mission Ministries as they prepare to open the doors of their newly constructed building. We are always looking for more hands that desire to put their faith into action so if you know people interested in taking that step point them to www.cktkserves.org where you can also follow all that's happening.

Pray with us

January through April has been a significant time of preparation for what God has in store for CTK Blessings. As we enter in to this season would you continue to partner with us in prayer? Pray for the CTK Farm, that the harvest will be plentiful and the workers will be many. Pray for families in need of assistance that they would hear and take steps towards receiving the financial resources available with CTK. Pray for our dozens of Response Team volunteers that they would experience the abundant presence of the Holy Spirit as they accomplish the work laid out for them. Pray for the blessing team that we will continue to partner with God's will for this season, that we will steward well what has been graciously provided.

Blessings to all,

The CTK Blessing Team, Wendy, Faith, Keri, Nathan and Daylee
